

Name _____

Roll – Say – Keep
Letter Identification

Instructions:

Place a letter card face up, in each space of the game mat, and leave the remaining letter cards in a pile. Players then take turns rolling a dice and reading the card in the appropriate space on the game mat. If the player is able to read the letter card, then they are able to keep the card. The player then replaces the card with another one from the pile. If the player is unable to read the letter card, the card stays on the game mat. The player with the most letter cards at the end of the game is the winner.

Additional challenge: Have the player say the sound of the letter and/or a word that begins with that letter (sound). Have the player name the letter that comes before or after that letter.
